

Aluminium Chequered Sheet | Haomei Aluminum

Haomei produce high quality [aluminium chequered sheet](#) with factory price. The grade of aluminium chequered plate are 1060, 3003, 5052 and 6061. Being a genuine aluminum checker plate manufacturers we ensure that our checkered plates provide maximum damage protection when installed on walls, doors, corners, dollies, skids. For automobile applications chequered aluminium plate also protects bumpers, truck floors, bodies of on and off road vehicles.

Due to the diagonally finned structure, the chequered aluminium sheet price becomes slip-resistant which is why it is also suitable for use outdoors and in wet areas. In addition to the finned structure, there are many other shapes and patterns which provide the same characteristics.
